## Know Your Customer

Know your customer ("KYC") is the process of a business identifying and verifying the identity of its clients. The term is also used to refer to the bank and anti-money laundering regulations which governs these activities. Know your customer processes are also employed by companies of all sizes for the purpose of ensuring their proposed agents, consultants, or distributors are anti-bribery compliant. Banks, insurers and export creditors are increasingly demanding that customers provide detailed anti-corruption due diligence information.

Please complete the verification to have a higher privilege. You can proceed to the "Upload Document" button to upload your documents.

Upload Document

8) Upload your personal ID or passport and wait for the administrator to verify it.
